**DOWNSIZING, DECLUTTERING &  
DEMYSTIFYING: SMART WAYS TO TURN  
EVERYDAY PROPERTY INTO CASH**

THE WORLD'S LEADING ESTATE SALE MARKETPLACE

# WHAT WE DO ESTATE SALES ONLINE

Everything But The House (EBTH) *brings the THRILL of estate sale shopping ONLINE.*

Through a global community of buyers and sellers, EBTH has transformed the traditional estate sale model into an e-commerce platform where bidders from across the world discover one-of-a-kind pieces every day.

# WHO WE SERVE

---

## SELLERS

Whether clients are looking to sell a collection due to downsizing, relocation, or managing a family member's estate, EBTH's **FULL SERVICE MODEL** – photography, cataloging, payment and delivery – makes the process easy (and worthwhile: **PROCEEDS ARE TYPICALLY 3-5 TIMES HIGHER** than a conventional estate sale).

## BUYERS

For buyers, the reach of an e-commerce platform and the **STARTING BID OF \$1** for every item means they can access an impressive range of collectibles – from a purse to a Picasso – from **ANYWHERE IN THE WORLD**.

# WHAT WE SELL EVERYTHING

At EBTH, *we sell it all...*

Furniture, home decor, jewelry,  
artwork, sports memorabilia,  
tableware, garden hoses —  
**virtually *EVERY* item in  
your home.**

# HOW IT WORKS

## THE CALL

Individuals and families contact EBTH to help them sell a home full of items that have accumulated over a lifetime. Consultations are entirely free.

## THE PREP

Our experts sort, evaluate, photograph, and describe each item that will be sold. We arrange for pickup of things that should be donated or thrown away. We literally handle everything but the house — which is unique to EBTH's offering.

## THE SALE

The sale goes live! All sales run for seven (7) days and every item starts at \$1. After fast and furious bidding, the sale closes and we manage payment, pickup, and shipping for every item.

## THE PROCEEDS

We leave the home empty from wall-to-wall for our sellers and provide an itemized inventory and settlement check. On average, EBTH sale proceeds are 3-5 times higher than traditional alternatives (auctions, consignment shops, etc.).
